THE
BOBBY
CAT

PRESENTED BY THE CLASS OF 57

FOREWORD

"Look not into the past... it comes not again... Wisely improve the present... It is thine... Go forth to meet the shadowy future without fear, and a manly heart."

The doors through which we have passed are now closed and shall never be opened again. It is our sincere hope that our past shall never be forgotten, and our spirit shall live on as we pass by.

In this 1957 annual we hope to revive the pleasant memories of our high school days together. In the years to come when the way is dark and insecure you will be able to turn to your Bobcat and once again relive all those happy high school memories.

DEDICATION

MR. O. R. EDGINGTON

We, the class of '57, dedicate our annual to someone whom we feel deserves this honor far above anything or anyone else. In our estimation he has done more to help guide our young lives as boys and girls of today, to the better men and women of tomorrow. His patience, leadership, and guidance have instilled in all our hearts the desire and the determination to set for ourselves only the highest goals in life. Each one of us will strive to attain these goals as we pass through the years. We take great pride in dedicating this '57 year-book to our superintendent, Mr. O. R. Edgington.

These students represent a cross-section of Randolph High School. As the leaves fell they came to cheer our football players on to victory. When the snow lay deep on the ground they came to the basketball games. Papers, magazines, and crepe paper were carried up these steps as the students worked on projects for their class and clubs. To Honor Society induction, Future Nurses recognition, track meets, baseball games, and band practice have come these students and others. Though many steps are trod in life the students of Randolph will never forget these and other memories even after they have come down these steps for the last time.

ALMA MATER

To our ALMA MATER

Praises do we sing,

Beloved sons and daughters

Hear our anthem ring.

Loudly we proclaim thee,

Banners all unfurled.

Of schools across the nation

She's the finest in the world.

Graduates all remind us

Our lives will be complete,

If we will never leave behind us

School memories so sweet.

So our days at Randolph

Always will be nigh,

We'll love our school forever

RANDOLPH HIGH.

MR. O. R. EDGINGTON

Superintendent

Here is a man who is truly a friend to every student in the school. During his many years at Randolph his main thought, "What will be best for the students," has guided all the decisions that he has made.

Our thanks go to him for the many times he has helped us in almost any way imaginable; may he serve many more years here at our school and may those years be happy ones!

MRS. AMBER TROWBRIDGE

Secretary

Mrs. Trowbridge, the school secretary, (and helping hand), is a person whom the students have learned to appreciate to the fullest.

For some reason, she is always willing to help you no matter how much work she has of her own. She always greets you with a smile and a friendly "hello!"

She must keep all records, files and important data up to date, besides all the little "odd" jobs we seem to find for her.

Yes, she is indeed a great asset to Randolph! What would we do without her?

RANDOLPH BOARD OF EDUCATION

1955-1956

Seated: Mr. C. A. Butler, Vice President; Mr. Robert Warner, President; Mrs. Louise Kagner, Clerk. Standing: Mr. R. C. Worley; Mr. Roland St. John; Mr. Howard Durst.

Seated: Mr. John S. Davis, Vice President; Mr. Roland St. John, President; Mrs. Louise Kagner, Clerk. Standing: Mr. Wilbur Shultz, Mr. Ross Bryan, Mr. Howard Durst.

NORTHMONT BOARD OF EDUCATION

These five men give up a great deal of their time in order to help us. Through their efforts, we gain a great education that will help us in later life. We all feel very indebted to these fine men.

MR. LOWELL GINGRICH
High School Principal

Who greets us every morning with a bright "good morning?" Who has a big job that is always well done? Why, our friend, pal, and principal, Mr. Lowell Gingrich.

His main job is to keep our high school in order, plus many other things that are his to look after and take care of.

He has proved to be a big help to us students. Whenever we have a problem, he is always ready and willing to help us.

Truly, we are unable to fully express our gratitude for the many ways in which he has helped us during our years here at Randolph. All we can do is say "thank you" from the depth of our hearts, for we know we will never forget what he has done for us.

HIGH SCHOOL

MRS. AMY WARNER
High School Secretary

Who answers the constantly ringing phone . . . checks important data . . . and even keeps the office clean? Why, yes, everyone knows it's Mrs. Warner!

She is the high school secretary, and heaven only knows how busy she is. Sometimes she has work stacked over her head, but somehow she always manages to get it finished.

Yes, she too is a friend to all, and we will always happily remember her in connection with our school days at Randolph.

MR. JAMES GROSS
Elementary Principal

Here is a man who is truly a friend to every student in the elementary school.

He is very aggressive and responsible for the smooth running of the elementary school. His jobs -- small and large -- are never-ending.

Our thanks go to him for the many times he has helped us with our everyday problems; may he serve many more years here at our school and may those years be happy ones!

ELEMENTARY

MRS. ZIMMERMAN
Elementary Secretary

Mrs. Zimmerman, the elementary school secretary, is a great asset to the school as well as to the students.

She is efficient in keeping the files, records and all data up to date, as well as other small jobs.

We appreciate her very much, and may her years at Randolph be many!

SENIOR CLASS OFFICERS

Our day is done, and our work is over; but we shall not cry, for Randolph has given us some of the happiest days of our lives.

The chatter . . . the laughter . . . and of course the tears were a part of each one of us at one time or another.

How we loved those late play practices . . . making the decorations for a dance . . . and those gatherings at each others' homes after school.

These things will always hold a place in our hearts, but first on the list of memories we'd have to put those loved football and basketball games, when the Randolph spirit was so strong it astounded all who heard it.

A hope, a dream, and a prayer fills each of our hearts as we open the door to the future.

We stand with our feet steady on the ground and our eyes fastened on the stars because we are bound and determined to make our fellow-man . . . our country . . . and our God proud of us and remember us always--the Class of '57.

JUNIOR CLASS OFFICERS

Just one more step and we're on top!

Our junior year was filled with excitement. We sold concessions at the basketball games, sponsored dances, held paper drives, and attended every party that came up. There was also the joy of receiving our class rings and of course, exchanging them! And then, the highlight of the year, the Junior-Senior Prom which is a dream in every high school student's life.

The junior year played a big part in our wonderful high school days. We are proud to have played that part; we are proud to be the . . .

SOPHOMORE CLASS OFFICERS

A flash and a dash and we're off! After having made it through the freshman year, we were much more confident this year.

The members of our class began to weave together and unite a strong organization of boys and girls. We were coming to realize that hard work contributed by every member of the class made for much better spirit, and projects were finished in half the time.

The many bake sales . . . the gay parties . . . and the dances were enjoyed by everyone who attended.

Through these experiences, we feel confident that in the future years we will always work . . . play . . . and strive together as we, the Sophomore Class, have done this year.

FRESHMAN CLASS OFFICERS

Roll out the red carpet, the freshmen are coming! This best describes the way we felt when we entered our first year of high school. To us, it is the most!

We feel we are a big part of Randolph High and we are proud to be called the . . .

BOBCAT STAFF

"Hey, come on--hand me a pencil!" "Well, you must hurry or we'll never get this out on time!" "My head hurts!" These are familiar words to every member of this high-powered staff.

Work on this 1957 BOBCAT started in the spring of 1956, when the staff compiled the attractive "Typical Day in the Life of a Randolph Student" section.

Layouts were made . . . and remade. Copy was written . . . discarded . . . rewritten. Pictures were taken . . . and retaken. The staff worked, toiled and sweated, only to find things must be done over more carefully. That's what drove them to distraction . . . almost . . . but then they dove in all the harder and really loved every minute of it.

Yes, kids, at times it was doubtful whether there'd ever be a well-organized book between these lids, but here it is--bigger and better than ever before. We like it! Do you?

SHAMROCK STAFF

What does everyone look forward to with great anticipation every month? Why, naturally, the Shamrock. Kids, take a look! Here's the group of fun-loving, hard-working people that makes this publication yours!

Editor-in-chief, BRENDA HOSBROOK

First row: Mr. Egan, Sandra Woods, Bev Whatley. Second row: Arlene Kagner, Sharon Burns, Tom Boomershine, Ken Durst, John Tracy, Sherry Treon, Nancy Eby.

STUDENT COUNCIL

"Oh, why the heck can't we chew gum?" "But I like to throw paper wads!" These are some of the many complaints of the students which the Council members discuss with the faculty.

Remember our beautiful Homecoming? That was the work of the Student Council. Remember when you scurried around to get your locker cleaned before one of the members of the Council came around to inspect it? This, too, was a big project of the Student Council. The proceeds of the projects they sponsored bought a punch bowl which is to be used by the entire school.

Yes, the Student Council is a very vital part of the operation of our high school, because through it the teacher and the student can obtain a better understanding of one another.

First row: Arlene Kagner, Mrs. Hoover, Arlene Kagner. Second row: Brenda Hosbrook, Malcolm Treon, Bonnie Hyre. Third row: Ken Durst, Bill Gaskill, Ronnie Holsinger.

NATIONAL HONOR SOCIETY

It is indeed a great honor to become a member of the National Honor Society.

Members are chosen on the basis of scholarship, leadership, character, and service.

Impressive inductions are held twice a year to induct new members. Old members get the same thrill, when they come around the auditorium to tag the new members, that they received when they were the ones who were being tagged.

These students must realize their grave responsibility in keeping high standards, and serve as a beacon to draw others into desiring membership by meeting the requirements of the organization.

Ken Durst, President

First row: Shirley Flint, Linda Baker, Judy Durst, Dolores Coleman, Don Wendling, Sandy Collins, Donna Engle. Second row: Ann Bach, Steve Crume, Pam Marshall, Bonnie Hyre, Tom Boomershine. Third row: Chris Haas, Jack Norris, Dick Zeigler, Bill Gaskill, Bill Marshall, David Macy, Steve Grier.

SCHOLARSHIP TEAM

These kids were tops in their individual fields. They represented good old R. H. S. last spring in the district State Scholarship Tests held at Miami University in Oxford, Ohio.

They studied, crammed, and then studied again and every one of them did fine work. Aren't we proud of them?

To find out what each member took a test in, ask them. They'll be glad to tell you!

First row: Dick Wagner, Ken Durst, John McKinney. Second row: Arlene Kagner, Mr. Richard Suhr. Third row: Sharon Burns, Carol Weber, Malcolm Treon, Joel Williams, Bill Gaskill, K. Rector, Mary Bright, Donna Engle. Fourth row: Judy Arnett, Judy Statzer, Brenda Hosbrook, Tryon Rosser, Chris Haas, Gregg Copeland, Tom Boomersshine.

JUNIOR COUNCIL ON WORLD AFFAIRS

This organization promotes understanding and friendliness with other people throughout the world. The members are quite aware of the current happenings in all parts of the world.

They have panel discussions, assemblies, and educational programs which are given before the high school. They appear on television many times.

So, if you are interested in world affairs, here's the best club to join. It will be educational, helpful, and lots of fun, because, remember, they take an annual trip to Washington, D. C. and New York City. (But, of course, you work for this!)

President, MALCOLM TREON

Y-TEENS

Dances, parties, fun, work, and more fun--those are the main goals of a Y-Teen.

She is a member of a world-wide organization that gets acquainted with different religions, nationalities, and races; and she's proud of it.

This club sponsors a potato chip drive every year to raise funds for their treasury, as one of their many activities. The Y-Teens had a big, beautiful float at the 1956 Homecoming.

The girl who belongs to this club sleeps, talks, and eats, just the same as any other girl, but do you know what? She's happier than a lot of girls, because she's a Y-Teen.

First row: Dick Galloway, Joe Tully, Terry Shoenfelt, Ted Lambert, Norman Layman, Denny Hicks, Mike Rohr. Second row: Mr. Lancaster, Ronnie Yoakum, Mike Tillet, Lonnie Lamb, John Tracy, Jim Tracy, Tom Boomershine, Morbert Hussey, Ted Stickler, Ken Baker, Doug Fast, Allen Renner. HI-Y

What's the club that all the boys like? You're right - Hi-Y.

This is a branch of the National Young Men's Christian Association. The Hi-Y sponsors dances and parties; and this year the group has had many programs for the student body.

The club maintains high standards of Christian character, and is a wonderful organization in which boys can hold membership.

President, Bill Gaskill

First row: Marcia Brumbaugh, Claudia Gaines, Sue Eisenlohr, Joy Koogler, Rita Wirth. Second row: Sandra Collins, Judy Durst, Carol Hoke, Miss Miller, Mary Ann Tulley, Ann Bach, Arlene Kagner, Shirley Flint.

FUTURE TEACHERS OF AMERICA

These girls think they would like teaching the "younger set" of our country's population. They like children, and would, therefore, like to instruct them and help them to become the future leaders of our country.

They assist the teachers by substituting, grading papers, and many other things which will help them later when they take up the job of teaching full time.

President, Ann Bach

First row: Judy Statzer, Gaydelle Thompson, Susan Shelby, Beverly Whatley, Sherry Treon, Annabelle Gibson, Nancy Eby, Linda Baker, Zoe Becker, Judy Johnston. Second row: Barb Overly, Pat Haney, Linda Buckly, Jackie Wagner, Joyce Pitsinger, Joyce Clevelle, Jane Boomershine, Shelia Warner, Arlene Kessler, Judy Hudnall, Sue Lauterbach, Joan Studebaker, Connie Fair, Elaine Paulus, Karen Schenk. Third row: Pat Kelley, Carol Weber, Viola Kyle, Emily Frost, Sue Morris, Mary Locke, Sandy Woods, Carolyn Anderson, Mary Johnson, Phyllis Collins, Linda Mikesell, Barbara Kerns, Marcia Farren. FUTURE NURSES OF AMERICA

Does your head ache? Then go find a Future Nurse. She is one of a group of girls who realize their need in life, and are doing something about it. The Future Nurses are being trained along the lines of patience, efficiency, and dependability.

Their many activities included talks by specialized nurses - hours of work put in on making the Homecoming float - and visits to hospitals.

With courage and faith in God, these girls will be the "women in white of tomorrow."

President, Linda Baker

Standing: Sharon Burns, Judy Statzer, Joanne Ander, Linda Wise, Marcia McVity, Bev Wilson, Judy Durst, David Macy, Mrs. Hoover. Seated: Carol Crow, Bev Whatley, Jane Lawrence, Judy Hudnall, Lynda Viles, Mary Gildow.

LIBRARIANS

The people who volunteer their study hall assisting in the library are much appreciated helpers to the Randolph student body. The student librarians have proved to be of useful service to Mrs. Hoover throughout the years. Their duties include the checking out of books, placing the returned books on the shelves, and assisting students in locating the books they want. They do more than meets the eye, and have done a fine job.

Who answers the phone, helps with the filing, and runs errands for the teachers? Why, the office assistants!

These girls are always there to help you when you have questions or business to take care of.

They are a courteous and respectful group who enjoy what they are doing. The training they receive will be quite helpful when they apply for office jobs later on.

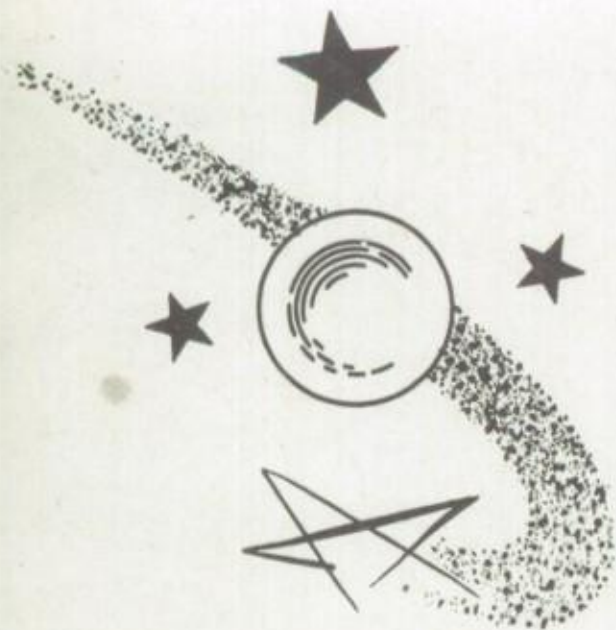

First row: Merlin Denlinger, Lowell Dearth, Ned Frantz, Don Biser, Mr. Bowser. Second row: Roger Garwood, Jim Browning, Mike Haley, Jerry Volk. Third row: Roger Baker, Bob Pollard, Don Johns, Larry Ladd, Dick Tannreuther, Jim Hendrickson, James Beery. Not pictured - Bill Dallas.

VOCATIONAL INDUSTRIAL CLUB

This club is composed of the boys that are taking part in the newly incorporated Co-op plan here. The members of the Vocational Industrial Club-Englewood Chapter are all seniors. They work part of the day and attend school the other half day.

The boys not only will be able to graduate from Randolph, but also they will have the experience of working.

This plan will give the boys their diplomas and also the ability to step out into the fast moving world with the knowledge of a trade.

Standing Mr. Corle, Steve Zink, Ted Longnecker, Jack Peck, Dale Dyke, David Lowe, Tim Mulligan, John McKinney, Jim Dennis, Gregg Copeland. Kneeling: Raymond McGary, Phil Roser, Ted Lambert, Bob Hole, Jim Paulus, Gary Hall, Steve Allen.

VISUAL AIDS CLUB

The members of the Visual Aids Club, under the direction of Mr. Corle, are trained in operating and repairing the school's different projection machines and setting up the screen and sound equipment. They are responsible for obtaining and setting up the equipment in the right rooms when instructors have films to be shown to certain classes. After showing the films, they also rewind and return all equipment to its proper place.

First row: Eddie Waymire, Mel Huddleson, Hank Biddle, Tryon Rosser, Jim Studebaker, Tom Boomer-shine. The purpose of the Varsity "R" Club is to build better men and athletes out of the basis of virtue and manliness, and to create a higher standard based on the Varsity "R." Their various projects included selling shakers and green derbys for the basketball games. In order to be a member of the Varsity "R" a boy must play varsity sports and receive a letter.

We at Randolph are especially proud of the members of the Varsity "R."

President, Eddie Waymire.

BAND

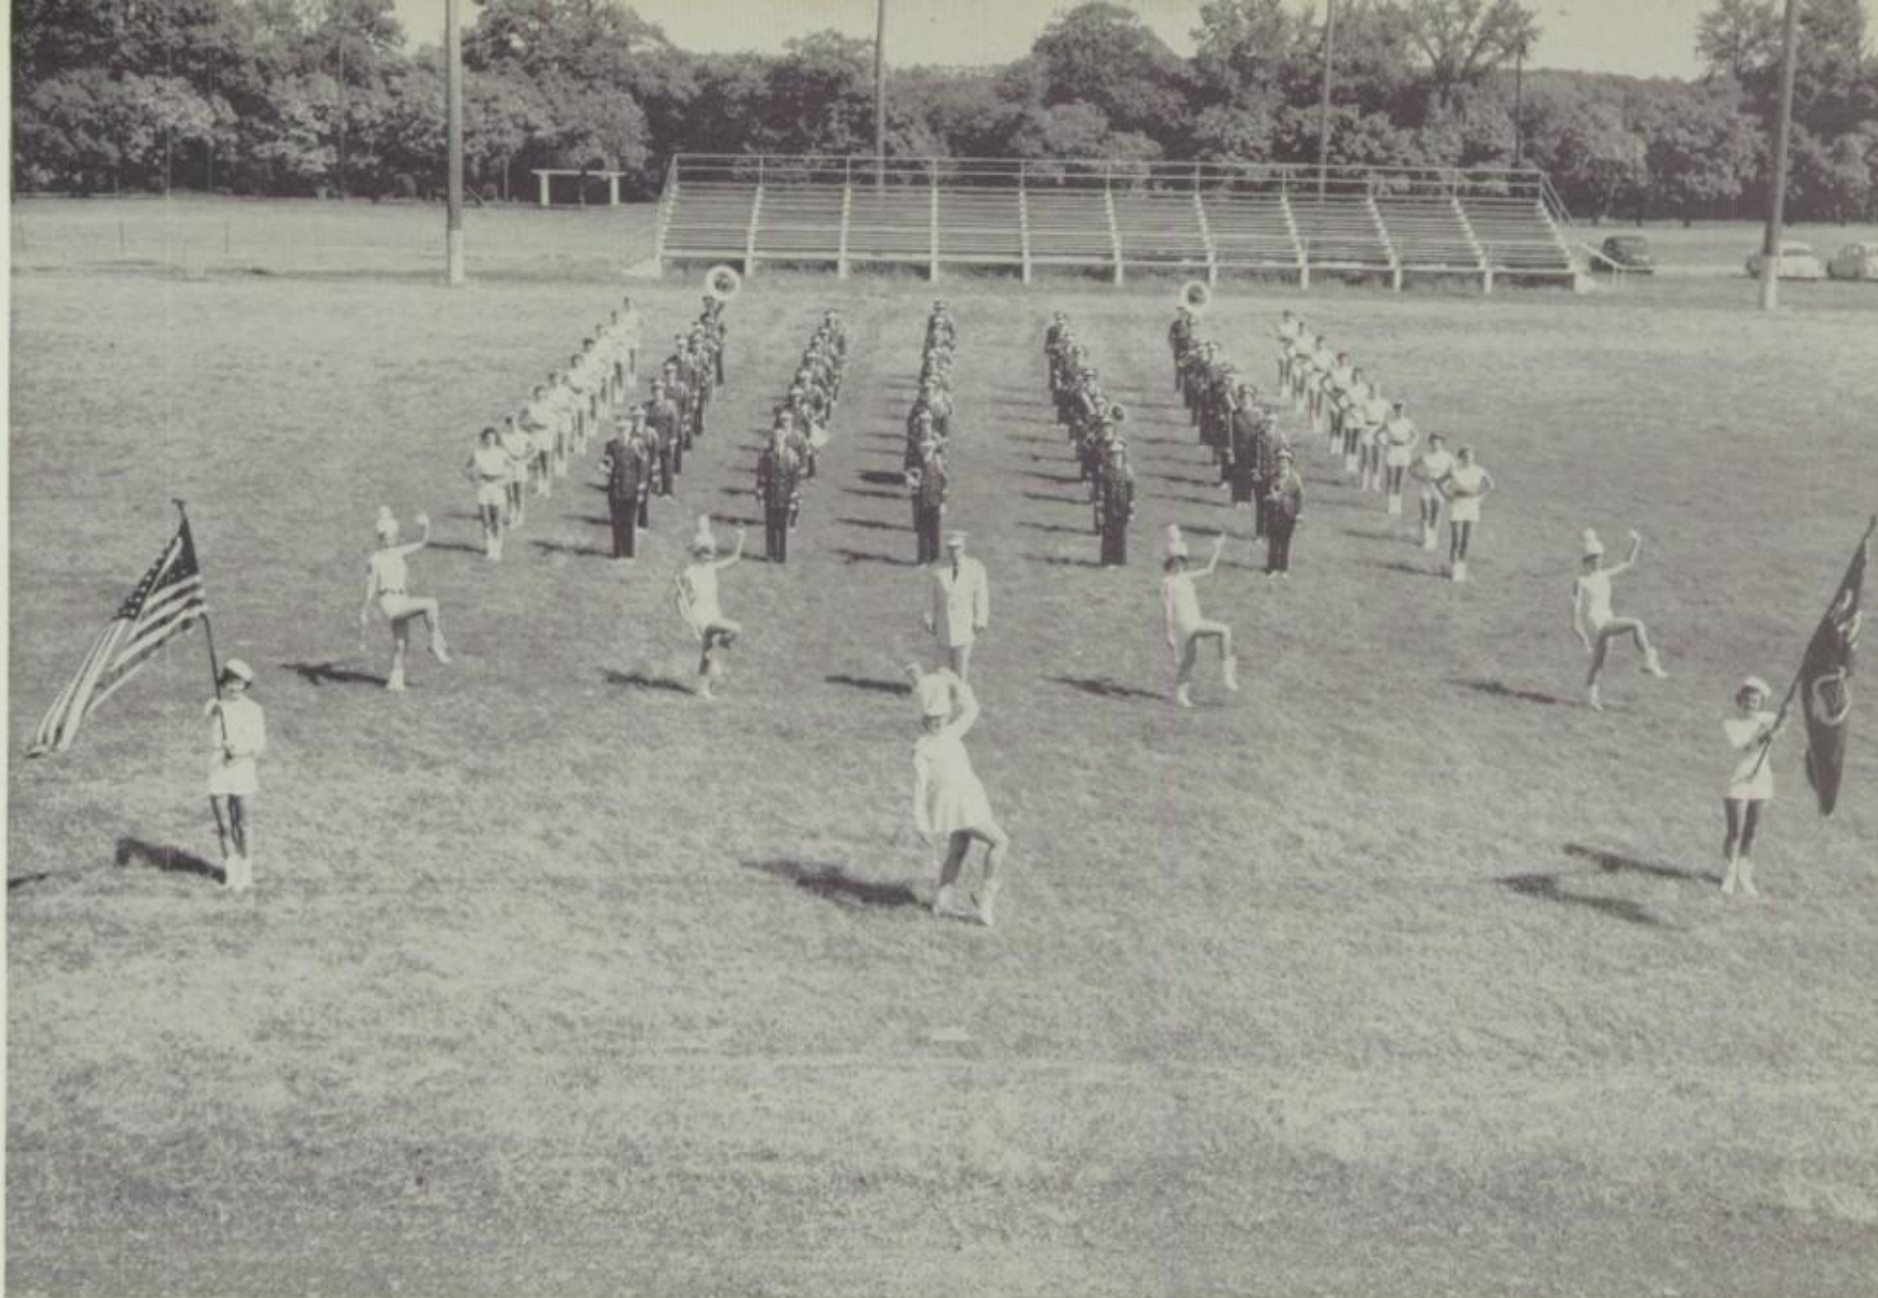

Head Majorette, BRENDA WEEKS

TWIRLERS

Standing: Rita Wirth,
Jean Wirth, Judy Volk,
Katy Wenger.

On ground: Brenda Weeks.

Who was it that brought a thrill to your heart, and a lump to your throat during half-time? Why, it was each and every one of the members of our prized band! They gave performances at many assemblies . . . had a big concert . . . and made our half-time football shows "only the best." Headed by our lovely drum majorette, Brenda Weeks, the band has added an extra "shine" to R.H.S.

DRILL TEAM

Jean Trissel, Gloria Fortney, Claudia Gaines, Mary Legault, Mary Ann Tully, Zita Herr, Linda Wise, Arlene Kessler, Joyce Pitsinger, Sharon Grisso, Sue Roth, Joy Koogler, Jackie Wagner, Annabelle Gibson, Barbara Overly, Jo Ann Wall, Judy Johnston, Becky Riesinger.

HIGH SCHOOL CHORUS

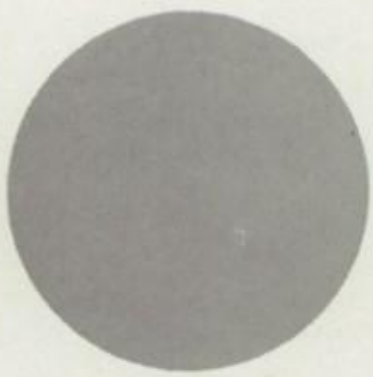

"Altos, put a little more power behind your tones." "This must be sung forte."

What kind of strange talk is this?
Where is it coming from?

Why, it's coming from the music room, of course, and it isn't strange talk to Mr. Cool or the chorus members.

The chorus, under the direction of Mr. Cool, has sung for the P.T.A. and has helped in congregational singing at our monthly chapel services. The chorus has become an important part of R.H.S., and if it continues to make the strides that it has already made it will hold an even more prominent position.

THE WINNING TEAM OF '56 . . .

What makes a winning ball club? Is it the coach? Is it one individual? Or is it just plain luck?

This year's coaching staff found the answer to that question. The thing that makes a winning ball club is team spirit. The will to win, not for yourself, but for the team, and co-operation from each and every player on the team. That's what it takes, and that's what the coaches taught our guys that made them a winning ball club. Thanks coaches, not only for a lesson in football, but also for the lesson in life.

The Seniors on this year's football squad played with one thought in mind; to make this, their last season at Randolph one which they can look back to with pleasant memories. They, along with the other members of the squad, did just that by coming from last place in the Southwestern Buckeye League in 1955 to second place in 1956.

We are very proud of each and every boy who played on the team, and we are especially proud of Jim Hess, Bo Huddleson, Bob Rothert, and Eddie Waymire, all of whom made the Southwestern Buckeye League All Star Team. We are also very proud of Jim Dennis, Don Keller, and Bill Marshall, who received honorable mentions. For the first time in the history of Randolph, a player, Eddie Waymire, received honorable mention in the State for his outstanding ability in football.

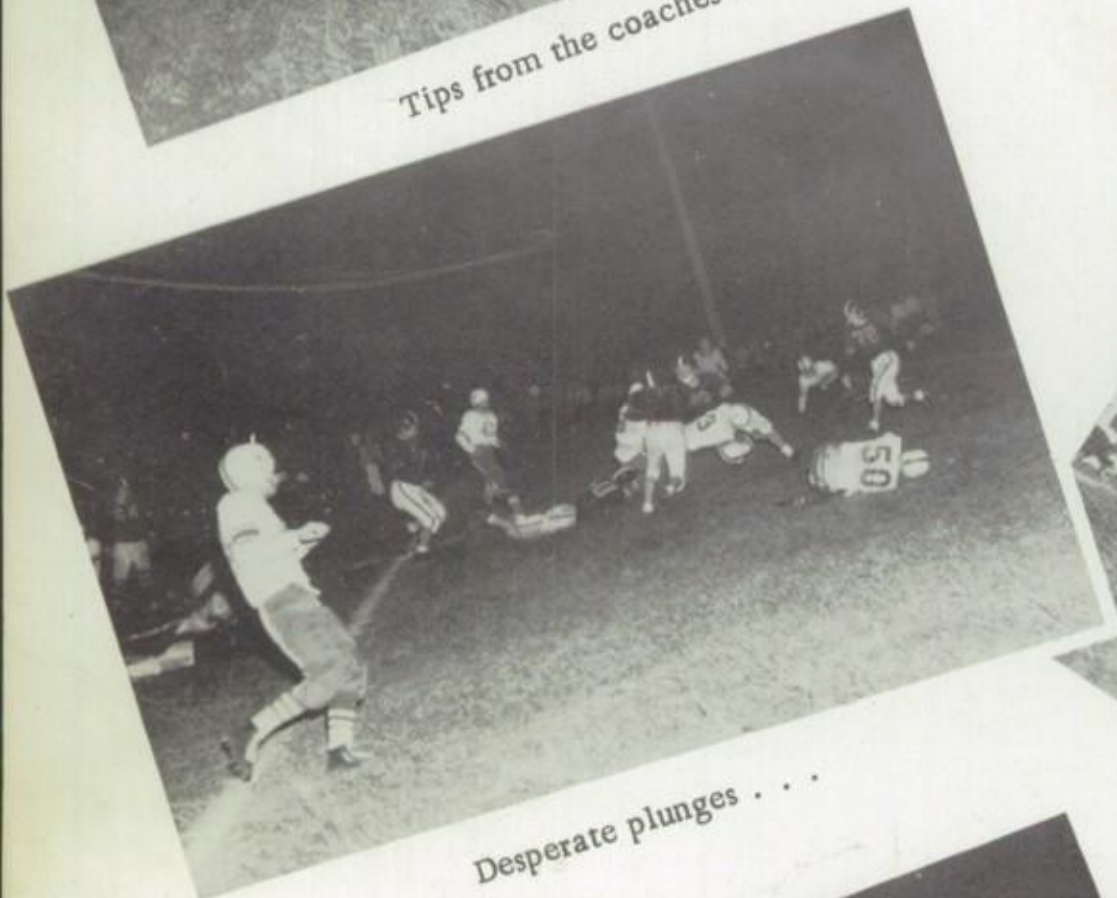

Yes, this year's football team was truly one on which we can look back to with pride.

JUNIOR HIGH FOOTBALL TEAM

Under the leadership of Coaches Whitacre and Brown, these fine young men went onto the field and nearly always came off at the end of the game winners. This was done through hard work and a desire to win. A great deal of credit must go to these boys, the future stars of the Bobcats.

Southwestern Buckeye League Champs are we!
And mighty proud of it, too. We copped the '56-'57
championship along with an unmarred league record.

Our boys, coached by Bill Yensel, played like
champions through the entire season. As the last few
games approached, we grew full of anticipation -
dreamily and hopefully visualizing the coveted
S.W.B.L. trophy gleaming in our trophy case.

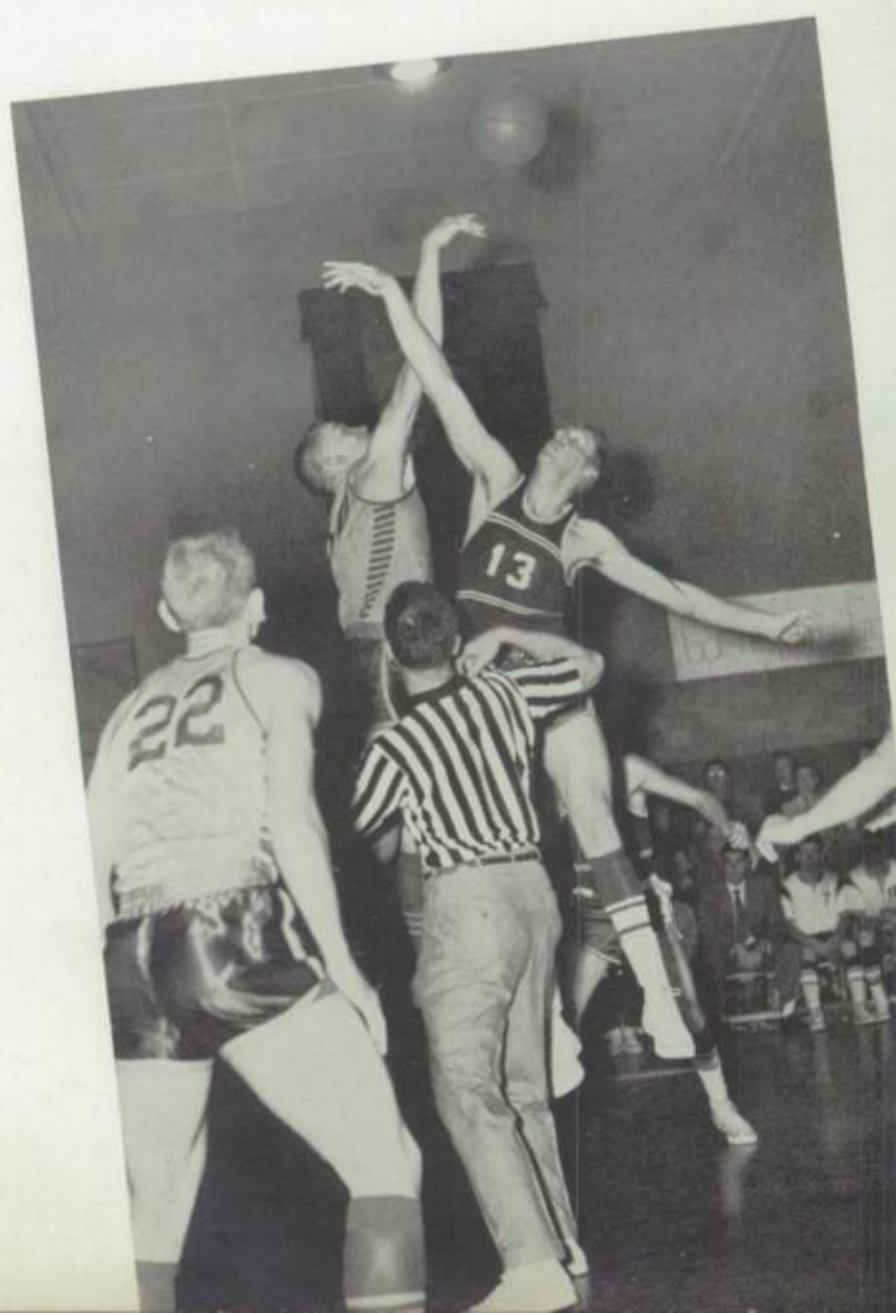

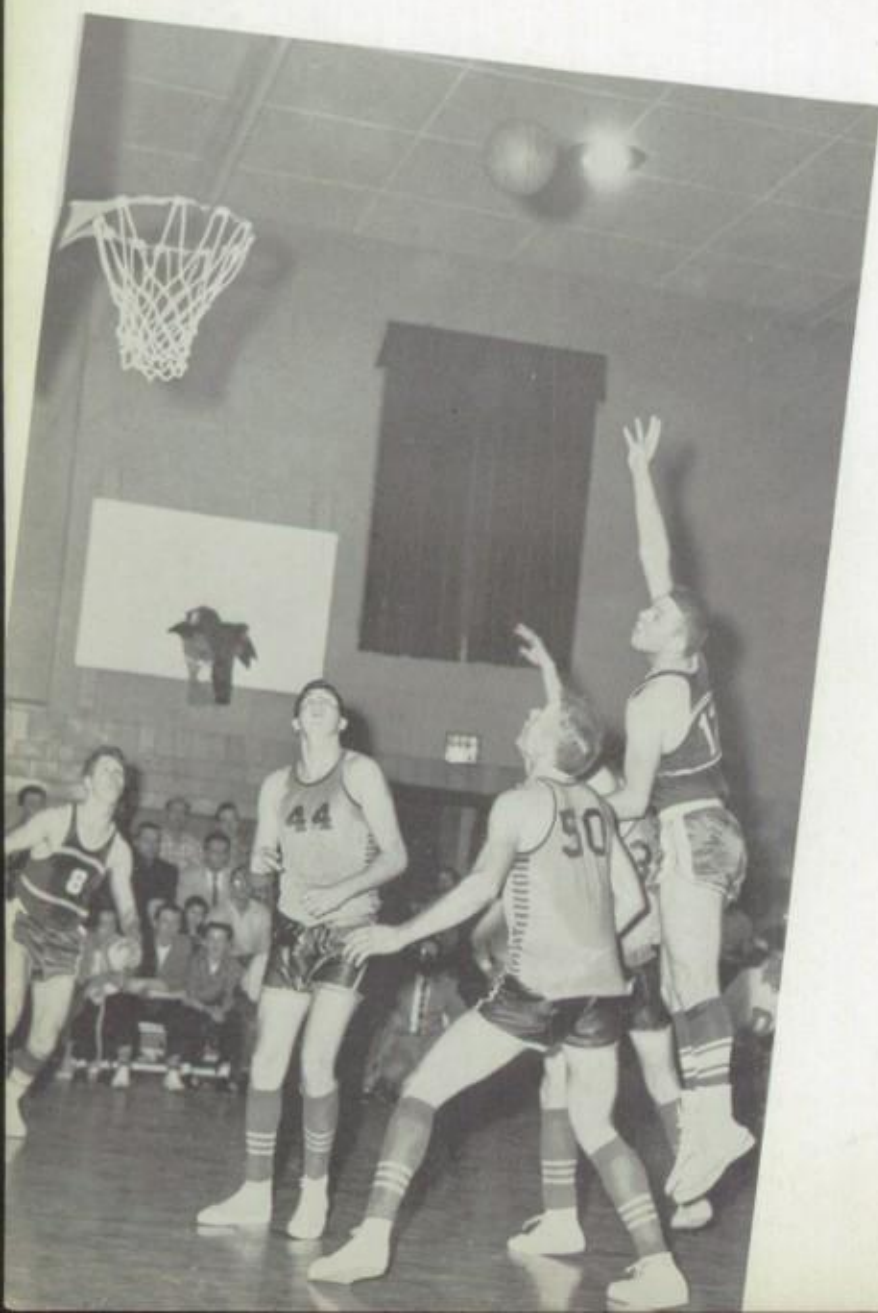

We cinched the title with a 56 - 47 win over
West Milton, who was down only one game in the
race for the top. Our friends across the river were
highly surprised to find that our boys were finally
able to overcome the jinx that they seemingly held
over us. We broke it all right - with an 84 - 34
walloping. Proud? You bet we are!

Our '56-'57 team will go down in the books as
one that had the determination and the WILL TO WIN.

CHAMPS IN ACTION!

1956-57 RESERVES

The reserves had a wonderful season under their fine and able coach, Mr. John Brill. This season was Mr. Brill's second at Randolph, and he led the reserves through a victorious one.

The team was composed of sophomores and juniors who played a very good brand of basketball. These boys had a record of which they and everyone else can be very proud, for they are the future Bobcats.

FRESHMAN BASKETBALL TEAM

Under the leadership of Mr. Brown and Mr. Whitacre, these two teams showed steady progress throughout the season. They tallied many victories both in points and in good sportsmanship and spirit. These boys make up our teams of tomorrow.

DRAFTING

Y-TEENS

HI-Y

It was half-time and the excitement was high as the floats started passing by the stadium. These floats were the result of much hard work and planning, but the finished products proved this work to be well worthwhile. The organizations which sponsored floats were Y-Teens, Hi-Y, Drafting, Future Nurses, V.I.C., and G.A.A. The G.A.A. float was very typical of the night - a large football on a green field, which said "Beat Oakwood."

The 1956-57 Homecoming king and queen were Sharon Burns and Eddie Waymire. The ring bearer was Bobby Kosiki and the flower girl was Joy Miller. Senior attendants were Bev Wilson and Jim Dennis. Junior attendants . . . JoAnn Wall and Gary Messler. Sophomore attendants . . . Judy Johnston and Steve Zink. Freshman attendants . . . Sharon Grisso and Don Dake.

After the game, the king and queen were crowned in the auditorium by John Sternberger and Sandy Irwin, king and queen of the 1955 Homecoming. Disc jockey at the dance was Jolly Rogers.

This was the conclusion of a long-awaited for day. Going home that night, as the people filed through the doors, whispering was heard about how beautiful everything was. As the king, queen, attendants, team, and student body left, there was a pounding in their hearts and stars in their eyes. They had had a wonderful night and one which will long be remembered.

HOMECOMING OF 1956!!

Remember the morning when some of the seniors came to school asleep? Maybe you wondered what was wrong???!! Well, didn't you realize how hard they practiced? Sometimes they hollered. . . screamed. . . and shouted. . . but they finally came up with the long-to-be-remembered "Curious Savage."

It was presented on November 19 and 20, under the direction of Mr. Richard Suhr, and was no doubt the event of the year most enjoyed by those participating.

CHRISTMAS DANCE

Swirling skirts against a background of red and white decorations, set the scene for the 1956 "Christmas Fantasy." White clouds of angel hair, dotted with glitter, made it a dance never to be forgotten. To the seniors this was not an ordinary dance, but the last one they would ever sponsor, at R. H. S. It meant the half-way point of their last year in high school, and made them realize that Commencement was not far off.

We, of the 1957 Bobcat, wish to extend our sincere gratitude to Miss Phyllis Hess, who has put forth a great amount of time and effort toward helping our staff develop The Bobcat into a truly memorable book of our high school days at Randolph. We would also like to thank the following people for playing such an excellent part in the making of our yearbook: faculty members, school office, Powell Studios, and all the businesses that placed ads in the book.

I would like to take this opportunity to thank all staff members for the splendid co-operation and hard work devoted to making The Bobcat a memorable review of all the enjoyable events that have taken place this year.
